

WAYNE BIRCH

AGRONOMIST

PROFILE

Wayne Birch joined Farmanco as an Agronomy Consultant in 2021, working out of the Albany Office with Brent Prichard.

Wayne was raised on a farm in South Africa, and after immigrating 23 years ago and completing his schooling in Bunbury WA, earned his first degree in Accounting. He worked as an accountant for close to 8 years in Perth before deciding to follow his passion for agriculture.

After graduating from Curtin University with a Bachelor of Agribusiness, he took on the role of Agronomist in the Central Midlands for just over 5 years. During this time, he provided a wide range of agronomic & nutritional advice to growers in Moora, Dandaragan & Badgingarra, where he was recognised for going the extra mile to achieve grower goals.
